5/5: "I got my book within four days of ordering it, even with a little problem with the shipping address. They took care of the problem with the delivery promptly and I would definitely recommend ordering books from them!!"
Alicia C., January 20, 2014

2/5: "Textbook orderd said it shipped in the U.S. Shipping label was from Malaysia. The book has the look and feel of something copied illegally. It has the correct content, but I doubt it's authenticity."
